ELECTION GUIDE

9.17.2021

GET OUT AND VOTE

We understand the importance of knowing where candidates stand on issues such as health care, abortion, birth control, and reproductive health. We know it can be overwhelming when trying to determine where to cast your vote. Our election guide is here to help give you a clear path at the polls to candidates who will work to protect access to health care and reproductive rights.

OUR REPRODUCTIVE HEALTH ADVOCATE AWARD

By affecting policy makers through electoral and non-electoral activities, Planned Parenthood Advocates of Michigan (PPAM) works every day to protect and enhance the ability of Planned Parenthood to deliver reproductive health care services in our state. We base our Reproductive Health Advocate designation on a comprehensive candidate questionnaire and voting records if applicable.

We invited all candidates, regardless of party, to return a questionnaire to apply for our Reproductive Health Advocate award. This designation is for candidates who proactively returned questionnaires.

Visit michigan.gov/vote to find your polling location, verify your registration status, and view your ballot.
